

# Rally Dates in 2021 – Update 11 – Thursday 17<sup>th</sup> June

I have collated the dates that have been advertised as taking place during 2021 together with their respective championships. If you intend attending any of the events please double check with the organising club that the event is still taking place and on the date I have shown. I did find that when cross checking events that some championships had the same event on different days.
