

Rally Dates in 2021 – Update 2

Tuesday 1st September

With the 2020 rally season decimated by COVID-19, a lot of clubs indicated that they were looking forward to 2021 and actually set a date.

I have collated the dates so far and whilst the events may have been in a championship in 2020 this list does not infer that the event will be in the same championship in 2021. The list just indicates that the organisers intend to run their event on the date stated. All the information has been collated from the statements issued when their 2020 event was cancelled. **Updates are shown in bold.**
